

Un complice de Franck écarte les spectateurs ...

...et lui fait signe que la piste est dégagée

Frank rejoint le départ de la course

Frank est en place
les phares s'allument...

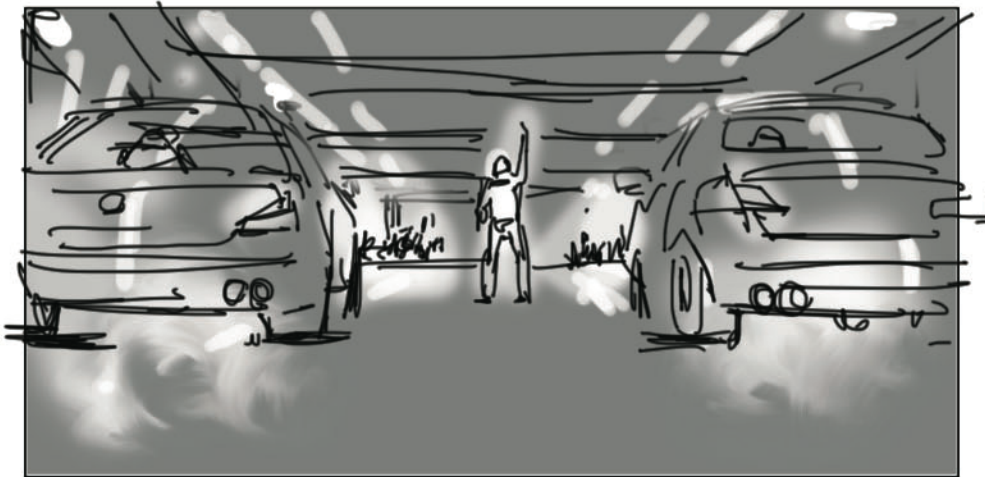

... les moteurs vrombissent

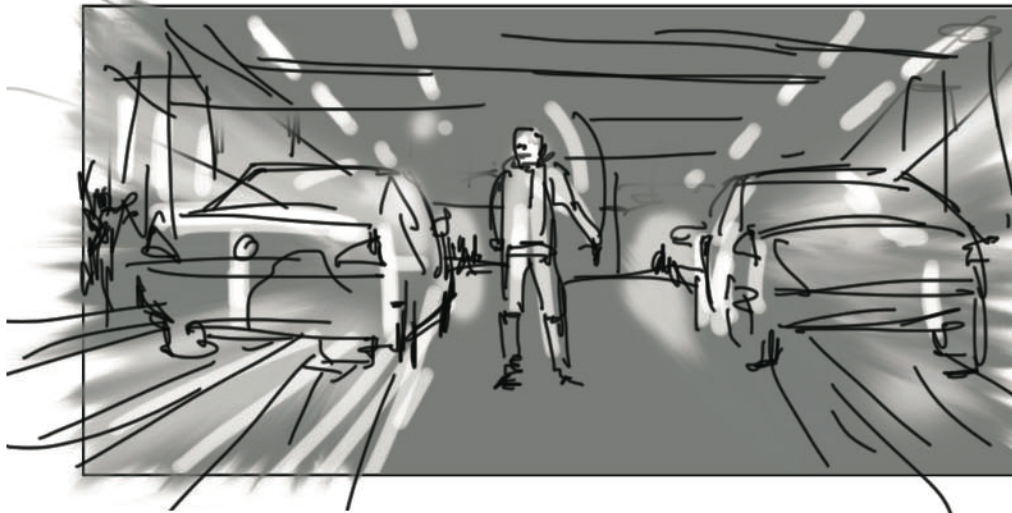

Mo lance un regard
à son concurrent

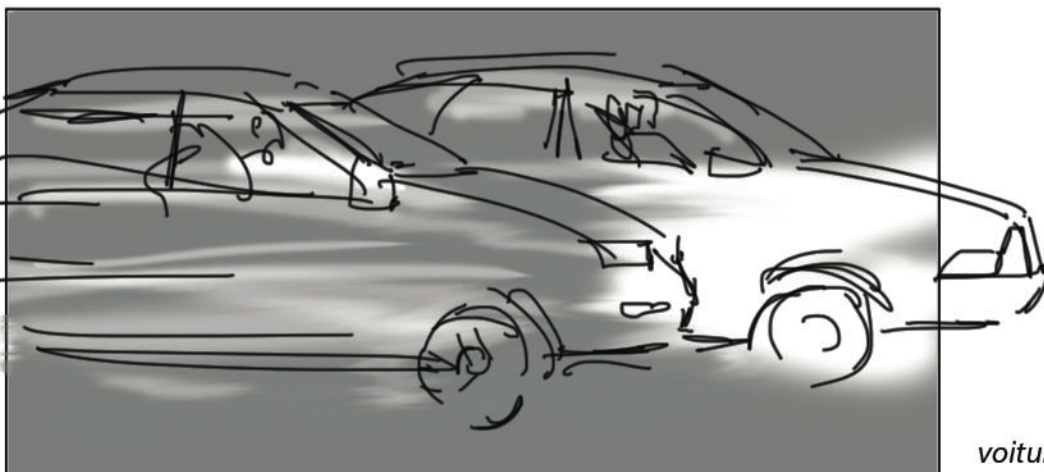

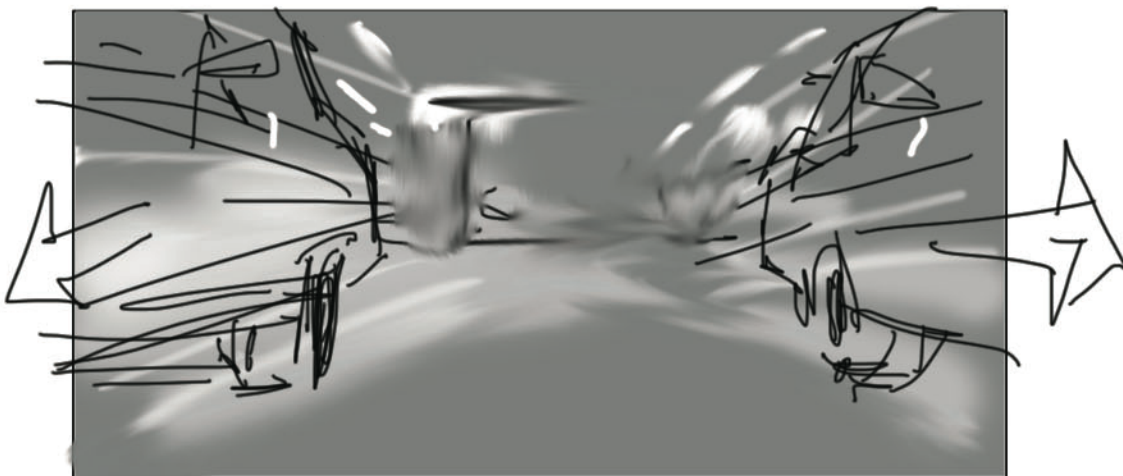

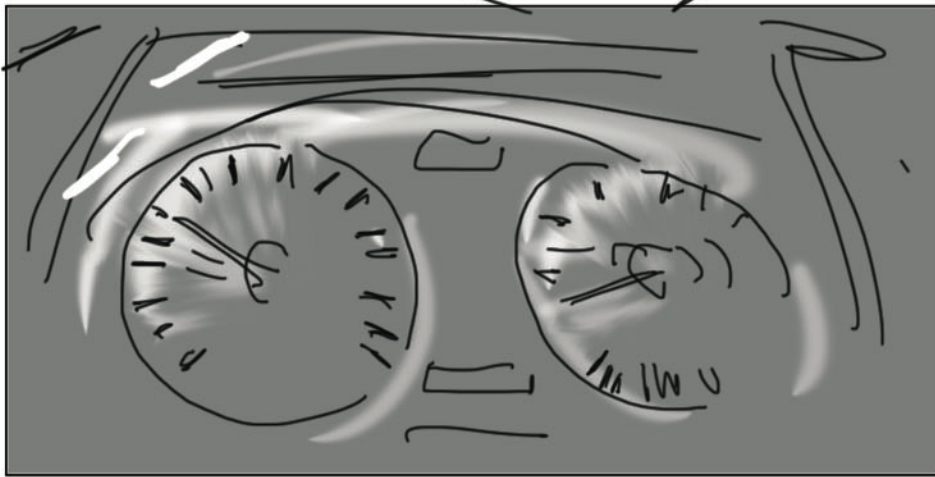

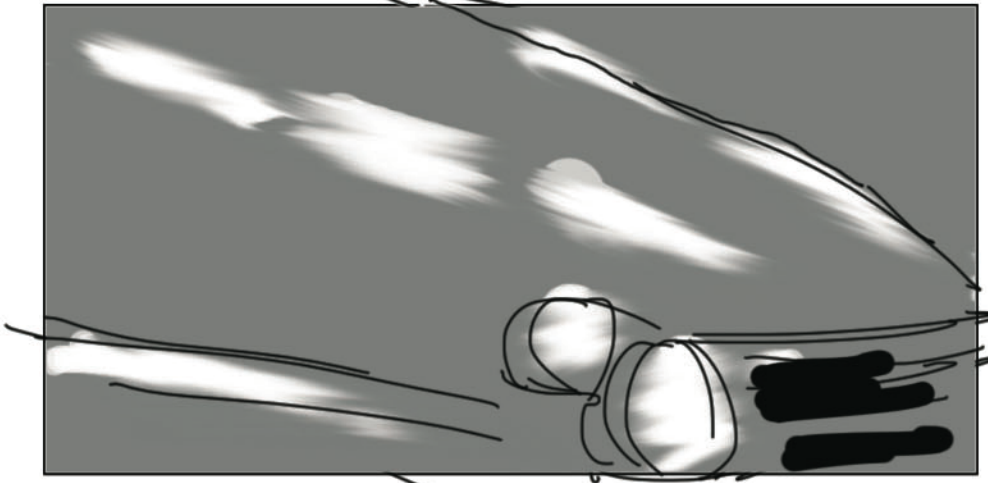

Frank donne le départ

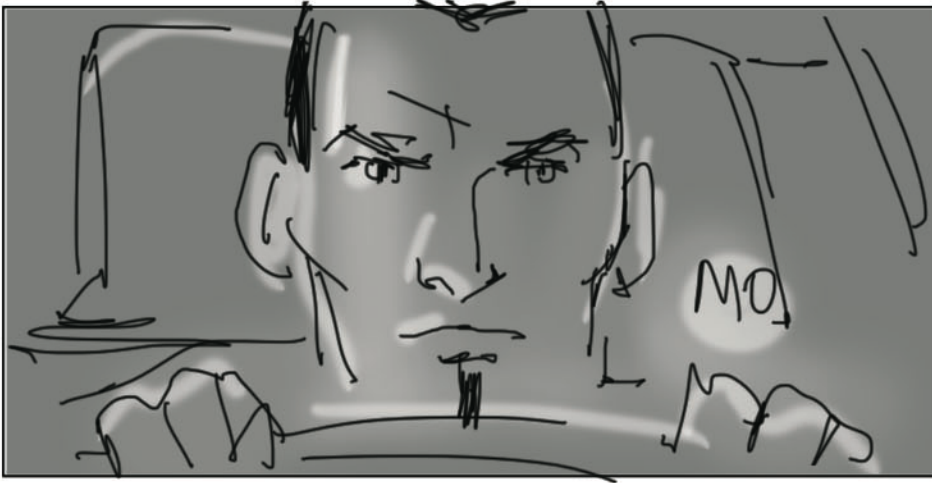

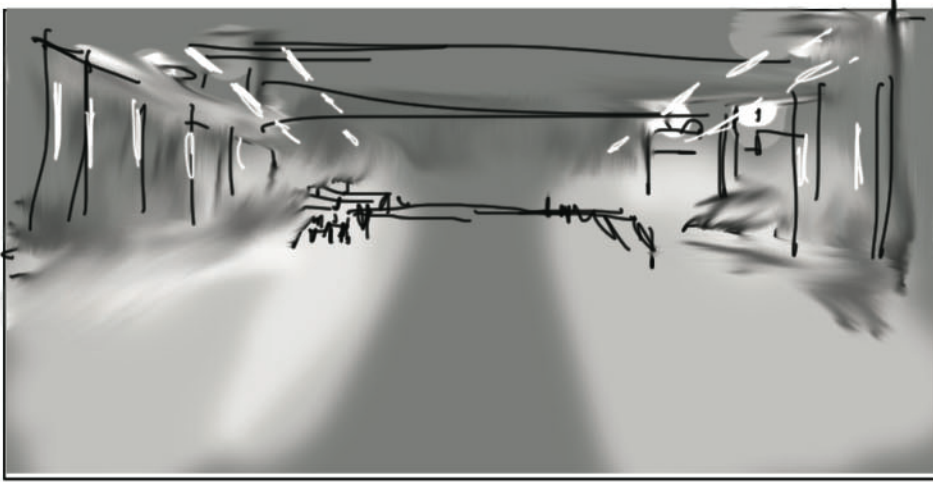

les voitures s'élancent

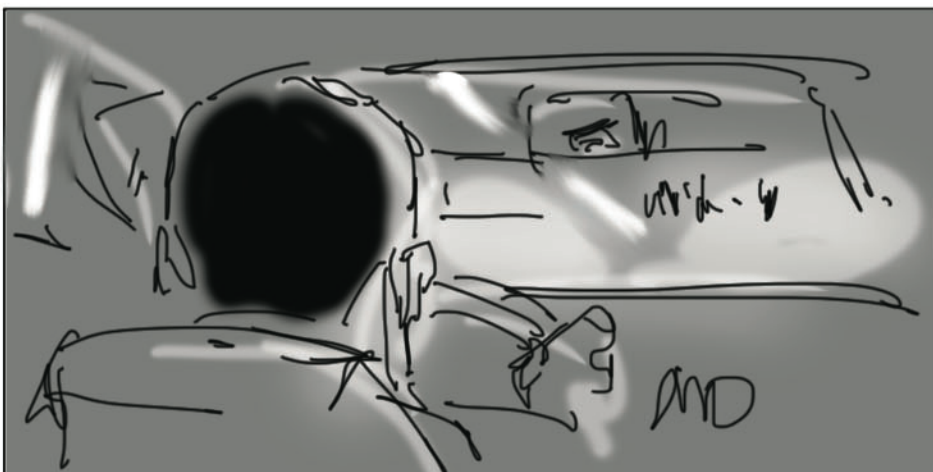

voiture travelling

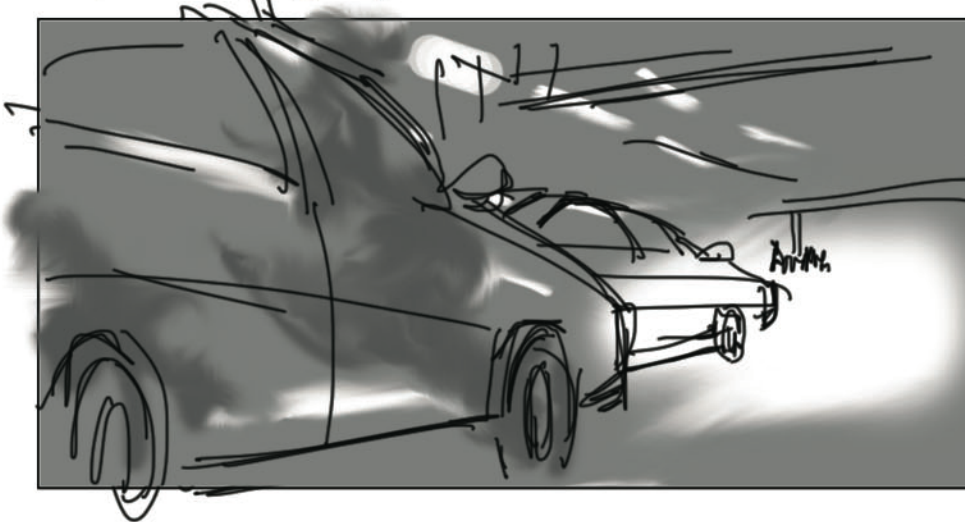

le concurrent hésite à freiner

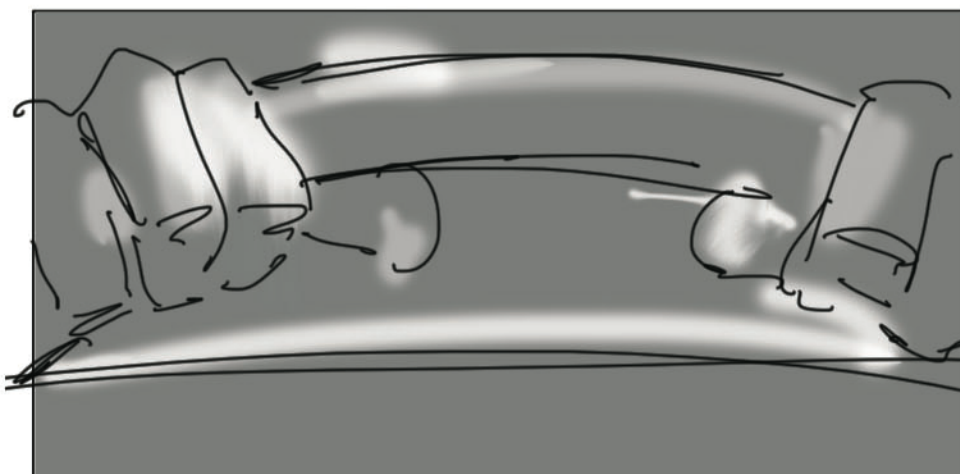

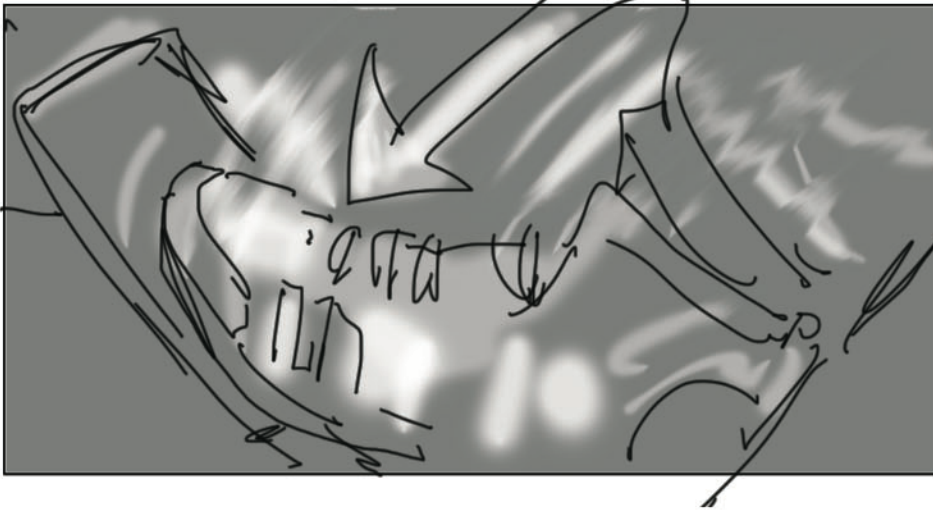

Le concurrent De Mo a cédé
ses roues sont bloquées
la fumée des pneus
envahit la piste

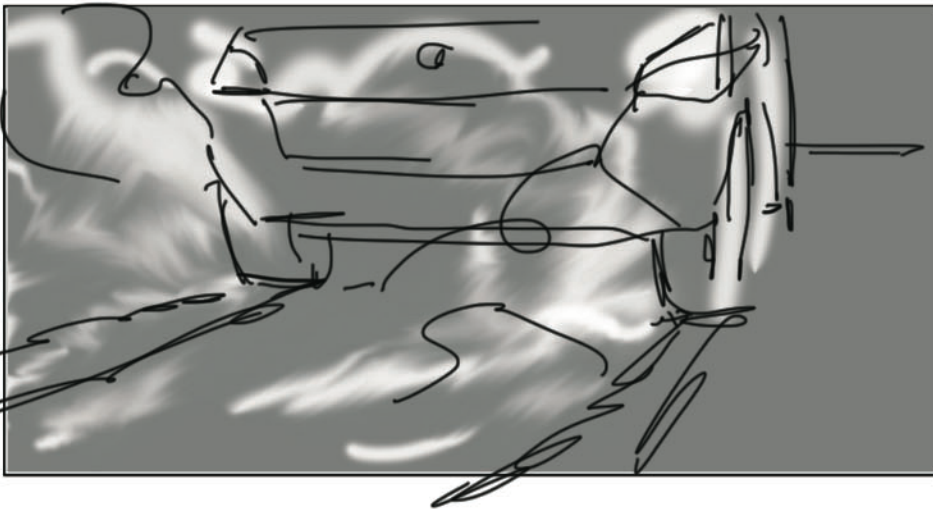

Mo résiste...

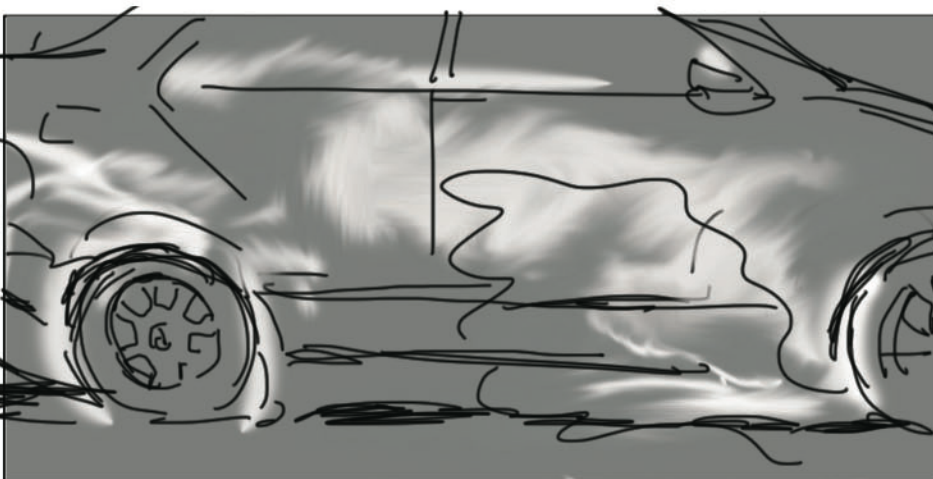

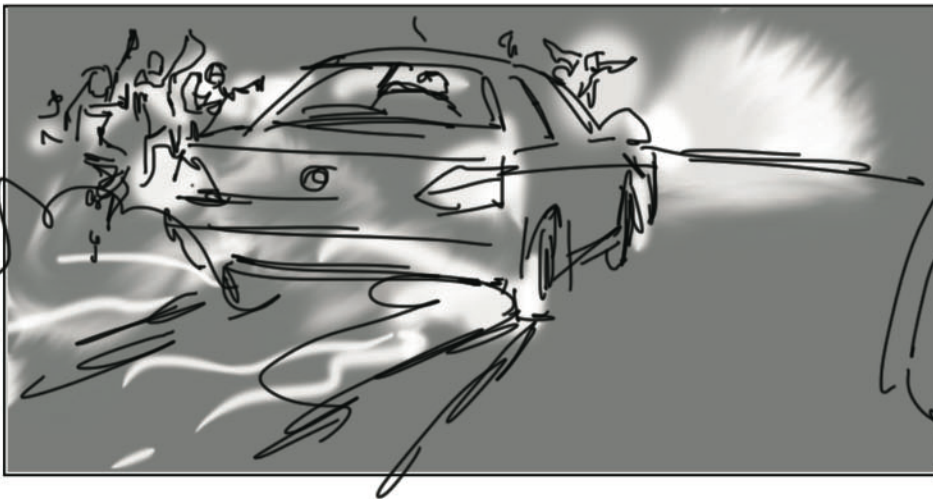

...et freine à son tour

La gomme des pneus fume

sous l'effet du blocage des roues

la voiture de Mo s'immobilise à quelques centimètres du mur
